### **GARDENING SCOTLAND AND OTHER NEWS**

Great news! The SRGC's stand at Gardening Scotland was awarded a Silver Gilt Medal; considering this is the team's first Show Garden this is great! Congratulations to all the team who built and manned the display at Gardening Scotland but especially to Ian Pryde, Graham Wenham, and Stan da Prato who started designing the stand back in the cold days of January. Plans have already been made for next year's display!

Next year is our 80th Anniversary and we will be holding various events in and around the country. One that you can't actually put in your diary yet is a Grand Picnic at The Festival Theatre in Pitlochry which will be held on a Sunday in June, details will be sent out to the Conveners and be in the January Year Book/Secretary's Pages. Next year should also see an increase in our subscription rates but as a special gift and thank-you to all our members we are holding the rates for an extra year. Be warned they will be increased in 2014 though!

Liz Mills, our President, will retire at the AGM in November having steered the good ship SRGC through three busy years which included the International Conference in Nottingham. Two candidates have been proposed to succeed her and pen portraits of both will be available at the AGM. Please take the time to read the Agenda for this year's AGM as it is slightly changed to allow for the election of a new President. Please also be aware that only those members attending the AGM are eligible to vote.

Information on the 2013 Discussion Weekend will be in the January 2013 Journal and Secretary's Pages.

## **Discussion Weekend 2012**

Plans are well advanced for the 2012 Discussion Weekend at the Cairndale Hotel, Dumfries - the warm welcome will be the same, the meals will again be delicious but there will be a few new things to look forward to.

The Reivers have commissioned a new trophy to be awarded for the best photograph of a Scottish Native Plant. We have also reintroduced workshops on Saturday morning, there will be one on photography, one on the use of colour in painting and Ian, the Christie kind, will demonstrate the art of building a section of rock garden. The Show and Holiday Photograph competition will go ahead as in the past.

Our Speakers are once again drawn from across the globe. See the listing in the Journal to whet your appetite.

The Ayrshire Group are again organizing the 50/50 plant sale after an excellent result last year; please get potting. The photo exhibition is a non competitive display of photos of interesting people, plants and places. Photos need not be mounted and can be any size.

Rooms are shifting fast and the deadline has passed for normal priced accommodation. But Gill Lee will happily take bookings - see you on Friday 28th September.

# 66th SRGC Seed Exchange - 2012-2013

## Autumn 2012 Seed Donations

Please send seed donations, individually packaged per variety, preferably in a paper envelope, and cleaned of all seed cases, debris, insects, etc to:-

**Prof. Stuart Pawley, Acres of Keillour, Methven, Perth, Scotland, UK, PH1 3RA.**

**Please include your name and address and a clearly written alphabetical list of the seed you are sending.** Don't be put off if you only have a small amount of seed of a species- it may be the small amount that no-one else has, and that someone would love to have.

**The deadline for seed to arrive at Stuart's door is 31st October 2012, please.**

If you have "late maturing" seed that cannot be sent until later, please send the information about this as early as possible and **before 31st October**, to Stuart at **gsp.srgc@tesco.net**. Send the list in the text of an e-mail, not as an attachment. Stuart can't afford a computer virus at this critical time. It is important to send the information early so we can produce the seed list in good time. Please send late seed as soon as you can.

## Seed Lists

Overseas members and all donors will receive a seed list by post automatically. Home non-donors should request a list from Stuart Pawley, and send a C5 stamped addressed envelope. Last date for requesting a list will be 14th December. The seed list will be available from around 10th November, and will go online at the same time; you can browse and order online as well as by post. You will need a password from the paper Secretary's Pages

You will also need to enter your membership number (it's on the envelope the **The Rock Garden** arrived in!)

## Seed Packeting

Seed packeting will be done during November / early December. Ian Pryde would be grateful to hear from any UK member willing to volunteer to packet seeds. Full instructions and guidance provided; details from Ian Pryde on 01875 615185 or at [ipryde@btinternet.com](mailto:ipryde@btinternet.com)

## Seed Distribution: early 2013

Seed orders must reach Alan Hayes **by 15th January**; we cannot guarantee to meet orders received later. The Edinburgh Rock Garden Group begins seed distribution in early January; we aim to have all main orders completed by January 18th.

Surplus seed distribution will not begin until all main orders are completed; not before Jan. 18th, so **members will receive their main and surplus orders a few weeks apart**. We hope to complete surplus distribution by the first weekend in February.

Queries about seed orders should be addressed to [alan.hayes31@blueyonder.co.uk](mailto:alan.hayes31@blueyonder.co.uk), but please do not enquire about the whereabouts of orders until after 5th February. Donors' orders will be completed first, on the basis of their donation record; donating more seed and for more years moves you up the list. Non-donors and surplus seed orders will be dealt with in order of their arrival date with Alan Hayes.

## **Seed Exchange Notice for USA Members**

US members must have a ‘Small Lots of Seeds’ permit, which is issued by APHIS.

You can find details of how to get a permit at:

**[http://www.aphis.usda.gov/import\\_export/plants/plant\\_imports/smalllots\\_seed.shtml](http://www.aphis.usda.gov/import_export/plants/plant_imports/smalllots_seed.shtml)**

This must be a ‘small lots’ permit, as this does not require UK phytosanitary certification.

You must enclose a copy of the permit and conditions and a green/yellow customs label for each order - one for a main order, and one for each surplus order of 50 packets.

If you order online, you **must** still post the permit documents and labels to Alan Hayes (or to Stuart Pawley with your seed donation). You can copy your permit as many times as you need. **Please ensure your permit is still valid** before you send copies to us.

We must stress that “no permit, no seed” is the SRGC rule! We will do our best to get everyone their seed, but it must be in compliance with USDA regulations.

## BOOK LIST - JULY 2012

Great news for all you book readers! The SRGC and book publisher Timber Press have come to an arrangement whereby SRGC members can receive a discount on all books in the Timber Press catalogue!

Simply select any books that you would like to purchase from the Timber Press web site: <http://www.timberpress.co.uk> and enter the password SRGC2012 in the Promo Code box at the checkout. Timber Press has an advert in the July Journal where you can gain more information. They are offering a discount of 20% off the cost of your purchases and free postage and packing in the UK; postage to the rest of world at cost. This is a much better offer than I can make to members and is generally better than Amazon prices and supports the publisher. Conveners of the local groups have a copy of the Timber Press catalogue plus order forms if you prefer not to order on the web or do not have access to. I heartily recommend that members take advantage of this offer. Books will still be available to purchase from me by mail order or at the Shows with the usual SRGC members discount. Please note this offer closes on 30 September but I am hopeful that it will be repeated with each new Journal. Please do not pass the code on to non-members.

I have one interesting new book to suggest, "Growing Hardy Orchids" by Phillip Seaton et. al. published by Kew Books. A small paperback, which gives information about the propagation and cultivation of the orchids that we love to grow. This was a popular seller at the spring shows.

Postage charges in the UK are now out of control! Because of this I feel that I cannot just charge a percentage rate for p&p but ask that you let me know which books you would like to order and I will quote you a total price for them. This will be a nuisance for both of us and I apologise for having to make this change. Please bear with me.

Please remember I would still like to step back as Publications Manager at the AGM in 2013, if you love books and think you might be interested in being the next Publications Manager get in touch so that I can let you know what is involved.
